## 1 PILL CAN KILL

Placer-Nevada Rx Drug Safety Coalition has partnered on the recently-launched 1 Pill Can Kill campaign for Placer County. The campaign emphasizes the very frequent occurrence of pills being laced with fentanyl, and is geared towards youth in the community who may be especially susceptible to these risks.

The facts you should know:

- The lethal dose of fentanyl is only 2mg.
- Nearly HALF of Placer County fentanyl deaths in 2020 were people under 25 years old.
- If you believe you or someone you know is overdosing, call 911 immediately and then administer naloxone.
- Knowing the common signs of an overdose can help you be prepared to act.

## COMMUNITY UPDATES & OPPORTUNITIES

## UPCOMING EVENTS

Catch us in the community at two events next week, California CareForce Clinic at Placer Veterans Stand Down, and Nevada County Health/Safety & Fire Preparedness Carnival. We will be distributing resources including NARCAN and informational flyers on opioid safety and medication disposal.

Save these dates:

- 1. Tuesday, May 3rd at 8AM:** California CareForce Clinic (Gold Country Fairgrounds, 209 Fairgate Rd, Auburn, CA 95603)
- 2. Saturday, May 7th 11AM-4PM:** Health/Safety Fire Preparedness Carnival (Nevada County Administration Center, 950 Maidu Avenue, Nevada City, CA 95959)

Spread the word about these wonderful opportunities for our community members to access important healthcare and resources.
