COAT DRIVE

We are grateful for the support of our community on this year's Giving Tuesday. We invite you to continue the generous momentum by participating in our coat drive, lasting until **December 20th, 2021**. We are accepting coats ranging from infant to adult sizes, and other winter gear like gloves, hats, etc., as well as monetary donations.

If you are unable to donate, please consider sharing this opportunity. Every coat can make a difference in the lives of children in our community.

Check out [this flyer](#) for additional information on how to donate, or click [here](#) to make a monetary donation now. Thank you for helping us support the health and happiness of our community!

JOINT COALITION MEETING: DECEMBER 16TH, 2021

For our final coalition meeting of the year, we are excited to offer a joint meeting with our Adverse Childhood Experiences (ACEs) Coalition. This is a great opportunity for members of each coalition to learn about how the two topics are closely intertwined and consider new possibilities for projects and collaborations.

We look forward to seeing you on Zoom on **December 16th, 2021 at 11:30am**. Click [here](#) for Zoom link. See you then!

READING CORNER

Check out some of the articles and resources we've been following lately:

- This [article](#) from PreventOpioidAbuse.org about record high overdose numbers.
- This [article](#) about correcting police officer beliefs about overdose risk from contact with fentanyl.
- This series of [listening sessions](#) for NIH stakeholders to discuss racial and ethnic equity within the greater scientific community.
