FEBRUARY 2022.1

## UPDATES

Placer-Nevada Rx Drug Safety Coalition

## AWARENESS

The month of February is an awareness month for several important medical and social topics. Take some time this month to familiarize yourself with the following movements and how they tie into a healthier, happier future for all.

- National Cancer Prevention Month
  - <u>There are notable differences in cancer-related</u> <u>outcomes for rural and non-rural patients, even</u> <u>in high-income settings such as the US.</u>
- Black History Month
  - <u>Nearly half of all African American adults have</u> <u>some form of cardiovascular disease that</u> <u>includes heart disease and stroke.</u>
- American Heart Month
  - <u>Hispanic/Latino women ages 20 and older in the</u> <u>United States: 79% are overweight, 32% have</u> <u>high blood pressure, 39% have high cholesterol,</u> <u>and 14% have been diagnosed with diabetes.</u>

## **COMMUNITY UPDATES & OPPORTUNITIES**

Stay in the loop by checking out the following public health and safety resources for our community:

- Professional and general volunteers are needed for the Placer Veterans Stand Down event on May 2nd-5th. Learn more <u>here</u>!
- A new flyer is available to distribute information about where to find naloxone in the Placer-Nevada region. Check out the flyer here!
- Watch <u>this</u> webinar from CA Bridge about buprenorphine for fentanyl use.
- We have two prescription drug disposal bins that can be placed at host sites that are interested in helping with safe med disposal. Contact us if interested!

Be sure to keep an eye out for our future newsletters and to follow us on social media for more information. Reach out to rxdrugsafety@gmail.com with questions, concerns, or more information on getting involved!
