Placer-Nevada Drug Safety Coalition

NEW MEMBER SPOTLIGHT

As you might have heard, Placer-Nevada Drug Safety Coalition recently got a new AmeriCorps VISTA! After saying goodbye to Alan Harrington, whose hard work we are very grateful for, we welcomed Molly Greenblat to our Coalition. Below is Molly's biography in case you missed it the first time!

Molly Greenblat is the newest AmeriCorps VISTA to join the team. Molly is originally from Middletown, Maryland, and is a recent graduate of The Ohio State University with a B.S. in Neuroscience and a minor in Epidemiology. Molly hopes to expand her knowledge of public health practices while working with the Placer-Nevada Rx Drug Safety Coalition before attending medical school in the future. Molly has a passion for working with other people and believes that connection is the first step to creating healthier and happier communities. She is excited for the opportunity to learn about and engage with her new community. Outside of work, Molly enjoys trying new foods, running, and spending time with her cat, Bucky.
