Whether you are a partner with whom we collaborate, a sponsor who supports our missions, a community member who has utilized our services, or a professional who serves our community's health and wellness, **we appreciate you!**

The work we do would not possible without our community. We celebrate the work we have accomplished together thus far and are excited for the achievements yet to come.

## GIVING TUESDAY: NOVEMBER 30TH, 2021

Sierra Community Medical Foundation is participating in Giving Tuesday again this year. We are utilizing this **global generosity movement** to kick off a fundraiser which will last through the duration of 2021! Funds will be directed towards providing coats to children and youth in our community. Our full [flyer](#) regarding Giving Tuesday details the movement and our mission, and offers a chance to learn from Dr. Craig Corp (pictured above), a leading pediatrician in our community, about the importance of supporting youth health.

Get ready to support the health, comfort, and happiness of children in our community this Giving Tuesday with Sierra Community Medical Foundation.
