

2026 STATE OF ACEs REGIONAL HEALTH SUMMIT

SIERRA FOOTHILLS
MEDICAL SOCIETY

AGENDA | THURSDAY, OCTOBER 1, 2026

12:30–1:00 PM | Registration & Networking

Check-in, networking, and refreshments. CE/CME sign-in required for credit eligibility.

1:00–1:10 PM | Welcome & Opening Remarks

Quinn Gregory, Executive Director, Sierra Foothills Medical Society & Sierra Community Medical Foundation

Provider Welcome: Program overview, learning objectives, and the regional importance of addressing ACEs.

Irina Korman, MD, Board President, SCMF | Robert Oldham, MD, MSHA, FALCP, Department Director, Health & Human Services, County of Placer

1:10–1:30 PM | Understanding ACEs & Health Outcomes

Explore the science of Adverse Childhood Experiences (ACEs) and the lifelong effects of toxic stress on physical and mental health, chronic disease, and well-being, including the PACes framework and opportunities to promote resilience.

Olivia Kasirye, MD, Former Sacramento County Public Health Officer

1:30–2:10 PM | Positive Childhood Experiences (PCEs)

Explore how supportive relationships, meaningful experiences, and a sense of belonging shape development, build resilience, and help children thrive—even in the presence of adversity.

Craig Corp, MD, Pediatrician, Sutter Medical Group

2:10–2:20 PM | Refreshment Break

2:20–2:50 PM | KEYNOTE: The ACEs Life Cycle

Dr. Ramos explores the impact of ACEs across the lifespan and opportunities for prevention, early intervention, healing, trauma-informed care, and cross-sector collaboration.

Diana E. Ramos, MD, California Surgeon General

2:50–3:15 PM | Keynote Q&A

Diana E. Ramos, MD | Moderator: Tony Hill, Programs Director, Sierra Community Medical Foundation

3:15–3:45 PM | Mental Health Equity, Trauma-Informed Care & Public Policy

Examine the intersection of trauma-informed care, mental health equity, and public policy, including the role of healthcare systems in responding to community needs.

Regina James, MD, American Psychiatric Association

3:45–4:20 PM | From Adversity to Action: A Cross-Sector Conversation on ACEs

A multidisciplinary discussion exploring practical interventions, prevention strategies, and opportunities for collaboration across healthcare and community systems.

Panelists: Craig Corp, MD | Regina James, MD | Olivia Kasirye, MD

Moderator: Tony Hill, Programs Director, Sierra Community Medical Foundation

4:20–4:40 PM | Closing Q&A

Audience questions and discussion with summit speakers and panelists.

4:40–5:00 PM | Closing Remarks

Quinn Gregory, Sierra Foothills Medical Society & Sierra Community Medical Foundation
