

On behalf of Sierra Community Medical Foundation,

THANK YOU!

Your Giving Tuesday donations help ensure that we can continue supporting our community's health, happiness, and wellbeing. We are grateful for your support and know that together, we can make a difference.

Giving Tuesday kicked off our fundraising efforts towards a coat drive for youth in our community. We are pleased to announce that you still have the opportunity to give! Through December 20th, 2021, we will be collecting additional monetary donations as well as **new or gently used coats and other winter gear (hats, gloves, mittens, scarves, etc.) ranging from infant-adult sizes.**

If you are ready to make a monetary donation to SCMF, we ask you to visit our [website](#) to make a donation. No amount is too small—we appreciate however you are able to support us this year.

If you are interested in donating coats or winter items to our cause, please contact Michele Onatanian at michele@pncms.org or Molly Greenblat at rxdrugsafety@gmail.com to coordinate collection.

If you are unable to donate, consider sharing this information. Your efforts help us strive towards our [mission](#).

SCMF is committed to making a difference in our communities with our programs. We can make this difference with the help of all of you.

Get ready to support the health, comfort, and happiness of children in our community with Sierra Community Medical Foundation.

Together, we can work towards a healthier community.
