Placer-Nevada Rx Drug Safety Coalition

2022 GOALS

Placer-Nevada Rx Drug Safety Coalition is grateful for the support and collaborative efforts of our community that carried us through 2021. Together, we accomplished so much for the health and safety of our community. Whether you support us as a partner, a coalition member, a sponsor, or a community member, we thank you!

We are excited for what 2022 will hold. Some of our goals for 2022 are to:

- Continue providing education and resources to those who are most vulnerable
- Prevent overdose deaths and inform the community about fentanyl
- Work with policy makers towards a safer community

We look forward to reaching these goals together!
