UPDATES

Placer-Nevada Rx Drug Safety Coalition

NARCAN

Did you know that Sierra Community Medical Foundation is a distributor of naloxone/NARCAN, the life-saving opioid overdose reversal drug? And, we are not the only ones in our community--several community organizations and healthcare providers in our community can give free NARCAN to Placer-Nevada residents.

NARCAN is easy to use, has a long shelf life, and can save lives when administered. All types of people can benefit from having NARCAN. We hope you never have to use it, but it can save a life if you do.

Unsure if you're in need of NARCAN? Reach out to the coalition to get more information, learn where to obtain NARCAN, and when you are ready, [order your own supply today.](#)

COMMUNITY UPDATES & OPPORTUNITIES

COMMUNITY UPDATES & OPPORTUNITIES

Stay in the loop by checking out the following public health and safety resources for our community:

- Is your organization's 211 information updated? Take a look at your listing on [211 Connecting Point](#). Check out [this article](#) for information on how to make the necessary updates so that all your services are easily accessible for our community!
- Placer Food Bank food distribution schedule for 2022 is available in a calendar (attached to this email). Share with your community!
- We have two prescription drug disposal bins that can be placed at host sites that are interested in helping with safe med disposal. Contact us if interested!

Be sure to keep an eye out for our future newsletters and to follow us on social media for more information. Reach out to rxdrugsafety@gmail.com with questions, concerns, or more information on getting involved!

COVID TESTS

Every household in the United States is now eligible to obtain four at-home testing kits for COVID-19. Kits can be shipped directly to your door and the whole process is entirely free.

COVID-19 testing is one way we can protect ourselves and our community from the ongoing pandemic.

Additionally, [vaccination](#) and [masking](#) are key players to keeping our community safe.

Ready to order your tests today? [Click here](#) to learn more about the program and order free tests now!
