Placer-Nevada Rx Drug Safety Coalition

2022 SO FAR

With the first half of 2022 almost over, we would like to take a moment to share some of our accomplishments so far!

- We have hosted 3 coalition meetings and learned from wonderful speakers
- We have placed over 400 units of naloxone into our community's hands, including community members and professionals alike!

We share these accomplishments because we recognize they would not be possible without the support of our community. We are looking forward to what is still to come this year!

MOLLY'S GOODBYE!

COMMUNITY UPDATES & OPPORTUNITIES

MOLLY'S GOODBYE!

It is bittersweet to be saying goodbye to the wonderful Placer-Nevada community. Having relocated from the east coast for this position, I have gained a huge amount of knowledge about the healthcare system in our region and state. I have an immense appreciation for all of the professionals with whom I have worked alongside this year, and I truly thank each one of you for continuing to do the work so needed in our community and across the nation.

It has been a pleasure to serve this community.

Until we meet again,
Molly
