Notes:

- * denotes fentanyl test strip distributor
- ** denotes syringe exchange site
- If able, make contact with distribution site ahead of time to ensure business hours and supply
- Additional locations in the community distribute NARCAN to people in immediate need as first responders, like police officers and emergency room professionals
- To add or modify a listing, ask questions, or obtain additional help, contact rxdrugsafety@gmail.com
- List updated 4/5/2022
